

COMPUSTAR

CS7900-A

2-Way LCD Security System

Premium Compustar security system with T9 2-way LCD remote and backup 1-way remote.

» Features and Benefits

Vehicle security	Protect your vehicle with Compustar.
Up to 3000-feet of range	Lock your doors and check on your vehicle from long distance on your Q9 2-way LCD remote.
2-way alarm alerts	Receive instant alert notifications if a vehicle intrusion occurs.
Advanced security monitoring	Monitors all vehicle entry points, along with shock and tilt.
Check your vehicle anywhere	Monitor your vehicle's status on your T9 remote's LCD.

» Product Overview

Model	CS7900-AS
Brand	Compustar
UPC	829543013212
MSRP/MAP	\$259.99 / \$699.99
Remote Warranty	1-Year

» In the Box

CM900-AS
Control module

FT-SHOCK I
Shock sensor

FT-SIREN
Alarm siren

FT-LED Blue
Theft LED

» Optional Accessories

X1MAX-LTE
Upgraded LTE module
w/ backup battery

FT-DAS-II
Upgraded security sensor
w/ glass break
