

UTILITY BARS

EW3200 SERIES

Double Row

ECCO's double row utility bars offer long, maintenance-free life expectancy, low amp draw, and extremely bright white light output. Available in two lengths, each with a choice of two mounting options. These bars are an ideal choice for both commercial and recreational applications. Features include 12-24 VDC operation, 5-watt LEDs, combination flood/spot beam, rugged housing, UV hardcoated polycarbonate lens, and a 5-year warranty.

Models

PART NO.	TYPE	LENGTH	LUMENS (RAW)	AMPS
