

Portable Power Station

# EcoFlow RIVER 2 Pro

**Fastest charging speeds ever**  
Charge 0-100% in 70 min

**Safe, durable, and highly efficient LFP battery**  
3000+ cycles to 80% capacity, for up to 10 years of use

**Small size, big power**  
768Wh capacity, 800W output & power devices up to 1600W with X-Boost

**One device to rule them all**  
Powers up to 11 devices simultaneously

**Ultra-fast home backup switchover**  
<30ms EPS auto-switch

## Charge

**0-100%  
in 70 min**

**LiFePO4 Battery  
10 Years of use**

**5 Year  
Warranty**

**EPS  
<30ms auto-switch**

**Smart App  
Control**

**4 Charging  
Methods**

**X-BOOST**

Up to  
**1600W**

Portable and Light  
17.2 lb

# Specifications

## Output

AC Output (x4):  
800W total (Surge 1600W)

Max Device(s) Power Supported  
by X-Boost: 1600W

USB-A Output (x3):  
5V, 2.4A, 12W Max per port

USB-C Output (x1):  
5/9/12/15/20V, 5A, 100W Max

Car Power Output(x1):  
12.6V, 10A/3A/3A, 126W Max

DC5521 Output (x2):  
12.6V, 3A per port

## Input

AC Charging:  
940W

Solar Charging:  
11-50V, 13A, 220W Max

Car Charging:  
Support 12V/24V, 8A

USB-C Charging:  
100W

## Other

Connectivity:  
Wi-Fi & Bluetooth  
supported

Dimension:  
10.6 × 10.2 × 8.9 in

Weight:  
17.2 lb

## Battery

Battery Chemistry:  
LFP

Cycle Life:  
3000 cycles to 80+% capacity
