LUTRON®

Pico® wireless control

Add a new control wherever you want it

On the wall

Add a new control without cutting or wiring. You can install the Pico directly on any wall surface in minutes.

On a table

Mount the Pico to a pedestal and you have a simple and elegant tabletop control.

In your hand

Use the Pico as handheld remote, and adjust the lights or shades.

In your car

Clip a Pico to your car's visor and turn on the lights as you pull into the driveway. You'll never have to walk into a dark home again.

Communicates via Lutron Clear Connect® RF technology

Compatible with:

Residential systems
- HomeWorks® QS
- RadioRA® 2
- Caséta Wireless

Clear Connect® Wireless

Commercial systems
- Energi Savr Node™
- Quantum®
- GRAFIK Eye® QS Wireless
- Energi TriPak®

Shading solutions
- Sivoia® QS wireless
- Sivoia® QS Triathlon® solutions
- Serena® RF
