RS Rack System - Value Rack

Siemon's Value Rack provides an economical, durable solution for mounting and securing IT equipment in telecommunications spaces. With integrated bonding and grounding, visible U space markings and compatibility with Siemon's full range of cable management solutions, the Value Rack saves time, labor and floor space in a variety of indoor installations.

Accessibility — Open header design offers easy access for routing cables and includes holes for securing cable tray
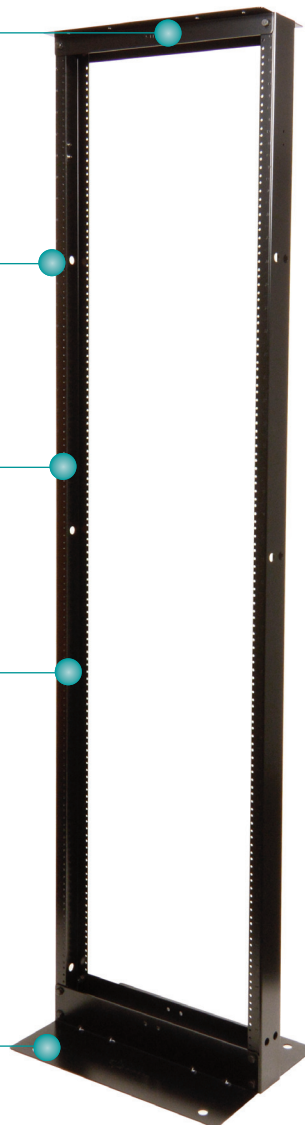

Durability — Heavy duty construction offers 544 kg (1200 lb.) weight capacity
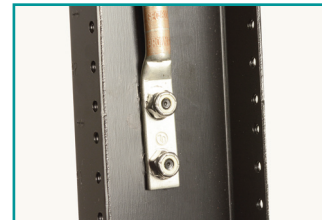

19-in. EIA, Universal Rail Spacing —

- #12-24 threaded equipment mounting holes in 76mm (3 in.) deep channels

- 44.5 mm (1.75 in.) high U spaces marked and numbered

Easy to Assemble — Installs with standard hand tools

Stabilty — Mounting holes provided for bolting / anchoring to floor

Excellent U Visibility –
U space markings remain visible with rack-mounted equipment installed and align with cable management fingers to ease rack unit identification and facilitate moves, adds and changes

Integrated Ground Path –
Bonded assembly with integrated ground studs

Cable Management
Compatible with Siemon's full range of horizontal and vertical cable management solutions

Ordering Information:

Part #	Description
RS1-07-S	Value Rack, 2-post open frame rack. Includes rack assembly hardware, (30) #12-24 screws and (2) grounding nuts

SPECIFICATIONS

U Space	45U (1U = 1.75 in. (44.5mm))
Height	2.1m (7 ft.)
Width	453mm (19 in.)
Depth	76mm (3 in.)
Weight	21kg (47 lbs.)
Load Rating	544kg (1200 lbs.)
Material	Cold rolled steel
Finish	Painted, Black e-coat
Packaging	Ships unassembled in a compact carton
Standards Compliance	UL 1863, EIA-310-D, RoHS

Rack Accessories

Siemon offers a full range of accessories to allow further customization of Siemon racking systems.

Part #	Description
VCM-(XX)D	RouteIT™ double-sided vertical cable manager (featured in photo)

Use (XX) to specify width:
6 = 152mm (6 in.),
10 = 254mm (10 in.),
*12 = 305mm (12 in.),*
16 = 406mm (16 in.)

Part #	Description
HCM-6-(X)U	RouteIT horizontal cable manager with 152mm (6 in.) fingers and extended length cover (featured in photo)

Use (X) to specify height: 1 = 1U, 2 = 2U, 4 = 4U
Add "-D" to end of part number for double-sided version (2U only)

Part #	Description
SH-D19-01.	Double-sided equipment shelf for 152mm deep racks, solid, 3U height: 133mm (5.2 in.) width: 483mm (19 in.) depth: 457mm (18 in.)
