# FIND THE PERFECT KIT FOR YOUR TESTING NEEDS!

In many cases, ceilings are too high to comfortably reach without assistance. Our Solo access poles are the ideal solutions to these instances. We also offer a variety of kits that include poles and testing supplies, with the kit prices being less than the sum of the individual component parts.

To request a kit or access pole that best suits your testing needs visit [sdifire.com/kits](http://sdifire.com/kits).
